## Donie Riney 7 -a-side Tournament

Well the tournament is all over for another year! Unfortunately we did not have as many teams this year but we still had a great day! I just want to say a huge thank you to the teams that came to compete: St Marys Cahirsiveen, Kenmare, Castlegregory, Keel and Sneem. We had some very competitive games and the final between St Mary's and Keel, in particular was a fantastic game. I want to say a huge congratulations to Sneem for winning the shield and St Marys for winning the cup final. Thanks to Sneem Bord Na nÓg for doing the shop, to Riney's bar for hosting a fabulous BBQ, to Stephanie O'Sullivan Cahill for taking pictures on the day, to the Sneem GAA for their help and support, to the refs: Paul, Barry and Paddy and to all the umpires and ball collectors who helped out on the day. Thanks to Brendan Galvin for putting up the goal posts, to all who made the pitch look perfect on the day and to John O'Connor for the bouncing castle. And of course to all the people who attended and donated on the day - every penny raised goes directly to The Marymount Hospice in Cork. This year, so far we raised €1360 - we still have an online site set up under mycharity - [http://www.mycharity.ie/event/anne\\_marie\\_rineys\\_event/](http://www.mycharity.ie/event/anne_marie_rineys_event/) - this will be open till September 8th so if anyone who was not at the tournament wanted to donate please do on this site! Thanks again to everyone who helped us out and came to support - it really was much appreciated. We remembered a great man and raised money for a very worthy cause.  
Anne Marie Riney.

## Kenmare and District Garden Club

As you know we have had no evening meetings for a couple of months but the Club has still been active. On the 5<sup>th</sup> July, 14 members and friends set off for Croagh for the Munster Food and Garden Fair where without a doubt the main attraction was Monty Don! Then on the 23<sup>rd</sup> July there was a super trip to the Cork area to see very varied gardens. First port of call was in Dunmanway where an acre field had been turned into a most interesting set of garden 'rooms'. After lunch, we then visited Hester Forde's compact garden in Glounthaune crammed full of wonderful plants, to see the changes she had made since our last trip. A visit to a nearby nursery was very welcome and there were definitely more plants than people in the bus after that! The last garden in Vicarstown not far from Blarney was a joy to behold and all in all, it was a very successful day.

Our first evening meeting since the summer break will take place on Thursday, 3<sup>rd</sup> September at 7.30 p.m. at Gateway and our speaker will be Helen Dillon whose talk entitled "Helen Finishes it Off" is self-explanatory in that she will continue describing her garden from July to December. Should be a great evening and is open to Club Members and their guests

Frank Coyne of Aegis Archaeology investigated the site on behalf of Kerry County Council and the National Roads Authority. He will give the first public presentation about the site and place it in the context of south Kerry's rich early medieval heritage.
