## Sneem Enterprise Centre

### Working in Sneem

This project has been undertaken to seek work opportunities for the broader Sneem area (Iveragh Peninsula). The Industrial Development Authority (IDA) have introduced two international based companies who have met with the committee. As a result of these initiatives a number of Dutch speaking applicants have so far been employed.

These companies have now requested persons with Information Technology (IT) skills, Marketing etc, and who are fluent in languages especially Dutch, German and French to apply immediately.

If you have these skills and are fluent in any language, please submit an application through the website [www.sneemec.ie](http://www.sneemec.ie) or contact the Sneem Geopark Information Centre, South Square, Sneem, email [kerrygeopark@gmail.com](mailto:kerrygeopark@gmail.com) or telephone 087 1602240.

Sneem Enterprise Project is still working away putting structures in place to generate interest in corporate international companies to set up base here in Sneem, in relocating some of their work to areas such as ours.

## Kenmare and District Garden Club

34 members spent a very interesting evening with Helen Dillon on Thursday, 3<sup>rd</sup> September when she attempted to finish off the year in her garden in Dublin. We did reach September at least and she had us all laughing with her little jokes and anecdotes. On a serious note, she gave some very sound advice about plants and planting methods and one noticeable remark was that if you have a small garden, don't necessarily think small but plant a big tree for dramatic effect. For anyone who has seen her garden, she certainly practises what she preaches! A very enjoyable evening.

Our next meeting will be at 7.30 p.m. at Gateway on Thursday, 8<sup>th</sup> October (**please note that it is not on the 1<sup>st</sup>**) when Camellia Austen will be speaking about floral design entitled "The Great Big World of Flowers – An Evening of Floral Culture from across the World". Now doesn't that sound interesting so come along and listen to what she has to tell us.

## Carnegie Arts Centre, Kenmare

Louise has invited her brother Norman to join her on bass and vocals for these special concerts and together they will share with their audience many memories, stories and songs including her chart topping "The Old Rustic Bridge By The Mill", her touching tribute to Percy French with the classic "Come Back Paddy Reilly To Ballyjamesduff" and many more favourites, making for a most enjoyable evening. **Tickets - €20 - 8pm**

**Thursday 8th - Kenmare Film Society: 'Timbuktu' (2014) ( France) ( 97 mins) (12A).** Set in the early days of the jihadist takeover of northern Mali in 2012, the film is a stunningly shot condemnation of intolerance and its annihilation of diversity, told in a way that clearly denounces without resorting to cardboard perpetrators. **Admission : €7/€5 (students) - 8pm**

**Saturday 10th - 'A Doctors Sword' (2015) (Documentary) (12A) (70 mins)** A Doctor's Sword (documentary) tells the remarkable story of Aidan MacCarthy, a doctor from Castletownbere, West Cork, who, at 28, joined the RAF in London as the 2nd World war began. Soon after he found himself evacuated from Dunkirk and in May 1941 received the George's Cross for rescuing the crew of a burning RAF plane which had crashed into a bomb dump on landing. He volunteered for service in Asia as Singapore fell to the Japanese, was captured in Java and survived almost 4 years of brutal captivity enduring starvation, malnutrition, forced labour, beatings and torture as a prisoner of war.

Aidan MacCarthy was a POW at the camp attached to the Mitsubishi Steel and Iron works in Nagasaki when the atomic bomb was dropped on the city at 11:02am on August 9th 1945. This was the beginning of the end of his captivity and he later returned home with a Samurai sword which was given to him as a gift by the POW camp commander at the end of the war. The documentary tells Dr Aidan MacCarthy's incredible story of resilience and bravery, and his daughter Nicola's journey to find the family of the Japanese officer who gave their ancestral sword to her father. **Tickets: €7 / €5 (Students) - 8pm**

# St. Michael's National School, Sneem

## The National Flag for Primary School Initiative 2016:

On Monday last Sergeant Denis McGary and Private Noel Lynch visited our school and presented us with the Irish Flag and a copy of the Proclamation.

Sergeant Denis McGary then read part of the Proclamation which was then completed by our 6<sup>th</sup> class pupil Simon O' Connor.

After explaining to our pupils the significance of the flag and the Proclamation Sergeant Denis McGary and Private

Noel Lynch did a 30 minute question and answer session with our pupils.

A copy of the Proclamation and the Irish Flag are being delivered to all schools in preparation for the 100th Anniversary of the 1916 Rising which will take place on the 15th of March 2016.

## Toy Sale:

On Thursday the 17<sup>th</sup> of September our school held a Toy Sale so that we could contribute something towards the Refugee Crisis. We received a large variety of toys, games, books, puzzles and much more! We would like to thank all the children and parents of our school for making our Toy Sale a success! €300 was raised to aid the Refugee Crisis.

## School Lunches:

Carambola our Lunch Food Provider now supplies St Michael's with all lunch food needed for an action packed and exciting school day.

These lunches are funded by The Department of Social Welfare who are working tirelessly to promote Healthy Eating and Good Food Choices. We are very grateful to Carambola for all the choice and tasty food that they deliver to our school every day!

# St. Michael's National School, Sneem

## Kerry Supporters:

St Michael's National School is very proud of our Minor and Senior Football teams. We follow both teams with great interest and we are very grateful to them for all the enjoyment and excitement they bring to our school.

So it was no surprise that Sneem School had a very busy and fun week getting ready for the All Ireland Final. All classes were very busy creating beautiful masterpieces out of clay and beautiful paintings of the All Ireland Final.

On Friday the 18<sup>th</sup> of September we had a Kerry Jersey Day in school which created more excitement for all the children! In Mr Hussey's room there was an all important raffle for a Kerry Jersey. Congratulations to the winner of the Kerry Jersey, Katie Riney, 5<sup>th</sup> class!
