St. Michael's and St. Patrick's Church News

As I write these notes this morning our Parish has received a noisy visit from Storm Agnes. Hopefully it will not cause any damage to property or injury to anyone and all will heed the safety warnings. The nights are getting dark much earlier and the village is understandably a lot quieter. Overall I believe it was a good season with visitors from near and far spending some time among us. It was wonderful to greet so many to our Church at the weekends and I trust they all have happy memories of their visit.

In Church we have formed a new choir who have enriched the Liturgy no end and it is much appreciated by all. Our Sacristan Mary is recovering from knee surgery and I wish her a speedy return as she is greatly missed. May I thank everyone who is helping out in Church in her absence. I really appreciate all the support and team work from our volunteers who are so reliable at all times.

While we do not have a weekend Mass in St. Patrick's Church in Tahilla, I am happy that one daily Mass is celebrated there every week. And may I thank Fr. Thomas for celebrating Mass every day during his two week holiday among us. As one Priest was transferred to another Parish and not replaced it means we (Priests) have a rota for weekend and daily Masses. This entails much more travelling with some Churches being quite a distance away. Jean Yves has been very involved in Baptism Ceremonies in many of the Parishes and his help is very much appreciated.

We have a number of wedding dates for the remainder of the year. Some couples bring their own Priest and others avail of the local Priest. These weddings are very important to the Parish as much employment is given and the local shops and businesses alike are paid a visit. May I wish all these couples the very best for the future and I trust they feel most welcome during their stay.

Of course we also have had our share of funerals and may I send sincere sympathy to all touched and sad by the passing of a loved one.

The schools have re-opened and I wish them all the very best during the school year. Some have started college and may their journey of education bring fulfilment and in the future suitable employment.

Since I started these notes Storm Agnes has come and gone and order has been restored. Sincere thanks to all workers who in terrible conditions worked to restore electricity, clear blocked and flooded roads, reassured the elderly of their safety and as usual went the extra mile to help others.

May I wish you all the best – take care – stay well – stay safe - stay in touch.

Fr. Liam.

St Michael's National School

The Middle Room are back in full swing with routine after an eventful September in the classroom. We eased ourselves in gently and took full advantage of the sunshine with outdoor activities. We were delighted to welcome two new pupils, brothers Hristijan and Georgi Kap-sarova.

We have been enjoying music lessons thoroughly and are well able to blast out a variety of songs including our firm favourite "Oh My Johnny"! We have been learning how to work through our worries and how to manage our worries better with the Worry Tree strategy.

The Junior and Middle Room enjoyed 'The Little Squirrel Who Worried Workshop' with Katie O'Donoghue recently. It taught pupils how to practice more positive thinking and less worrying thoughts. Here's to a great year!

Coomanassig Day Centre

We would like to make people aware that one of the units will be soon available to rent. Anyone interested please put it in writing and post to Sneem Welfare Committee, Coomanassig Day Centre, Sea View, Sneem, Co Kerry. There is a criteria that needs to be met in order to rent one of these units. The main criteria is that the person must be able to live independently.

Coomanassig offers many services such as Meals on Wheels, Laundry, Chiropody and monthly mass will be starting again soon. We hope in the near future to be offering more activities. The main room of the centre is available to rent for private use at a small fee. For more information, please contact 087 3531363 or 086 8224350. We are delighted to let you know that our Christmas Party will be recommencing this year in early December, details to follow.

We would like to bring to people's attention Coomanassig Day Centre and the area around it is private property. Recently there has been a few occasions of people being around the units late at night being loud and disturbing the tenants and on one occasion the gardai were called. We would ask people to please respect the tenants living here. We would also like to make people aware that there is CCTV all around the buildings.

The other problem that has arisen is dog fouling, this has become a very big problem. Once again, the green area around the Day Centre is private property. If you don't allow your dog to foul in your own yard, please don't allow them to foul in the green area. Moving forward we will start reporting this issue to Kerry County Council as it's very unfair to the residents to step in dog faeces when they come out of their doors and also people entering and exiting the main centre.

Sympathies

Sneem GAA are deeply saddened at the passing of a great Sneem GAA man, the late John Vincent O Sullivan. John V was a fantastic ambassador for the Sneem Club. From his early playing days, John V put his heart and soul into Sneem GAA. He held a variety of roles within the club. One of his greatest accomplishments was to train the 1997 team that won the South Kerry Senior Championship. He went on to train the team that also won the County Junior Championship that resulted in Sneem being promoted to Division 1. John V trained the Sneem Ladies. The team got to a County Final under his leadership against Austin Stacks which they won. He was a great character and will be missed dearly. Sincere sympathies to his wife Alice, sons Jim, Seán and Tony, daughter Claudine, daughters-in-law Jane, Caroline and Lisa, son-in-law Alan, grandchildren Harry, Michael, Aoife, Seán, James, William, Sam, Neasa, Jonathon, Sarah and Ellie, sister-in-law Sr. Hilda, relations, neighbours and a large circle of friends.

May John V rest in peace.

Mountaineering Ireland Autumn Gathering

Sneem chosen as venue for the 2023 Mountaineering Ireland Autumn Gathering – Friday 20th to Sunday 22nd October

This year Mountaineering Ireland has asked Kenmare Walking Club (celebrating its 50th anniversary) to host the Autumn Gathering event and they have chosen Sneem as the venue.

The Gathering is an opportunity for members of Mountaineering Ireland from across Ireland to come meet up and to explore some of the finest walks and climb found in Ireland. It will be wonderful to see so many walkers and climbers staying in the village for the weekend.

The Mountaineering Ireland event brochure describes the

Sneem Autumn Gathering as a visit to some of the lesser known, yet beautiful, sandstone mountains on the Iveragh Peninsula. The mountains surrounding Sneem have a wild and rugged character, with corrie lakes, rocky ridges and big skies above. Some scenic sections of the Kerry Way are nearby for people to enjoy, all from the charming and colourful town of Sneem.

Michele Cooper- Fay on behalf of Sneem Walking Club said we are delighted they have chosen to host this year's Autumn Gathering in Sneem. It is testament to the great walking we have on our doorstep and is a wonderful opportunity to showcase out beautiful village and surroundings to many active walkers from all corners of Ireland.

There is an exciting programme of activities taking place across the weekend, including hillwalking, navigation, rock climbing and an environment walk. The base for the event is Sneem Hotel, with registration taking place on Friday evening and the main dinner on Saturday night.

The Sneem Autumn Gathering is shaping up to be a great event with all the six walks on Saturday fully booked.

Sneem Walking Club is supporting Kenmare Walking Club in the hosting of this event and Fergal Harrington, Club Safety Officer is co-leading the walk of Knocknagantee and Knockmoyle. Our Club is looking forward to some great interaction with fellow walkers far and wide. Good luck to everyone involved.

NOTE - THIS IS A MOUNTAINEERING IRELAND MEMBER EVENT ONLY. More information and a booking link can be found online at www.mountaineering.ie

Harvesting our Apple Tree

This September we have been extra lucky in Tahilla CNS with our apple tree. We have had an abundance of apples! We have been busy bees over the past few weeks checking the tree and collecting the apples when they are ready. When the apples are ready, we say that they are 'ripe'. The Senior Room sat down one day and cut all the apples and the Junior Room joined in to help make a delicious blackberry and apple crumble. We even made a gluten free version.

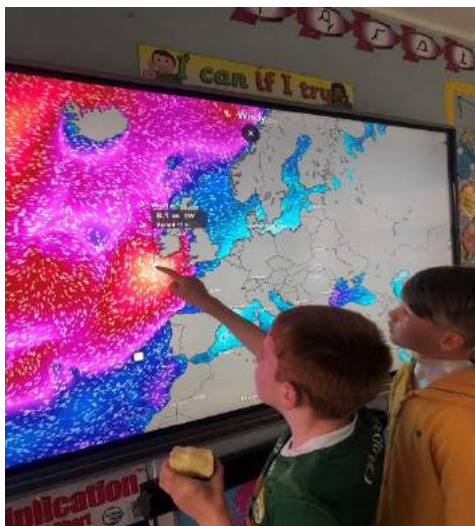

Visitor in Tahilla CNS!

A hare has been visiting Tahilla CNS over the past month.

This new machine will enable us to keep on top of weeds growing alongside footpaths without having to resort to the use of herbicides. We chose the battery operated version to reduce our fossil fuel emissions.

Ogham Project

On Saturday 28th October, we are delighted to welcome Niall Mac Coitir, author of Ireland's Trees: Myths, Legends and Folklore - and other books around the myths and folklore of Irish flowers, animals and birds - to Sneem to give a talk about Irish tree mythology and the Ogham alphabet. Weather permitting, this will take place in the amphitheatre in the Wild Garden followed by a book signing at Sneem Book Shop.

Ogham Project Launch

Sneem Festivals Committee and Sneem TidyTowns were delighted to launch the Alder Sculpture in the Wild Garden on Saturday, 9th September. It was a lovely sunny afternoon with music kindly provided by local musicians Fionán Casey and Mary Dellatore Casey, the Larkins and Angelica.

The piece was produced by Tom Allison, Ella Allison and Adrian Cauldwell.

The idea for the sculpture came from the knowledge that Bishop Charles Graves (formerly of the Bishop's house, Parknasilla) was a central figure in deciphering the Ogham alphabet in the 1850s having written many papers about various aspects of the alphabet around that time. The alphabet emerged around about when Christianity came to Ireland and each letter is associated with certain trees with some people calling it the "tree alphabet".

This first piece which combines metal-work, wood work and augmented/immersive art is our proof of concept and we are working with Sneem Tidy Towns to apply for funding for more

pieces based on different letters and trees to promote greater engagement with our natural biodiversity and tree mythology and an appreciation of Bishop Charles Graves' role in promoting understanding of this interesting alphabet.

On the day, Adrian described how he found and sculpted the alder piece. Tom then created the ogham letter and leaves and catkins from metal. Ella designed the augmented reality piece which can be seen by downloading the Artivive app and scanning the QR code. If you haven't already seen this wonderful piece, take a stroll through An Gáirdín Fiáin and take a look.

Storytelling Festival

The festival has come around so fast this year where does the time go. This year is our 10th but sadly, our beloved Chairman Batt Burns will not be appearing due to ill health but I'm sure he will be here in spirit. We will surely miss his wonderful stories and cheeky grin.

Our storytellers and performers are: John Spillane, Sheila Flitton, Helena Byrne, Len Cabral, Paddy O'Brien and Killian Burns. The lecture will be given by Dr Aoife Granville (Folklore and Ethnology, UCC) she is a native of Dingle. An expert in 'wren boy' and 'strawboy' traditions and also a traditional musician who has conducted extensive study on our native musical traditions.

On Saturday night actor Sheila Flitton will be performing her one woman play 'Beezie'. Sheila was in the film The Banshees of Innisheran last year playing Mrs McCormick.

Patrons can look forward to children's performances, adult story swaps, and storytelling in the barn, the South Kerry Rosen Choir will sing in the St Michael's Church. Our talented Young Tellers return with their stories, as does our popular lunchtime theatre from Sneem DramSoc. We have a story bar in Murphy's Loft on Saturday night after the play.

Programmes can be picked up from local shops, bars and hotels and tickets can be reserved from Rosie on 086 152 2346, info@sneemstorytellingfestival.com or you can come along to the Information Desk in the Sneem Hotel Lobby outside the Function Room from Friday 10th November at 10am onwards and either pick up your tickets or buy them (we're sorry cheque or cash only)."

The Beasts (2022) French, Spanish, 138 mins, 15 cert. Thursday 12th October at 8pm Director: Rodrigo Sorogoyen Stars: Marina Foïs, Denis Ménochet, Luis Zahera, Diego Anido An expatriate French couple (Denis Ménochet and Marina Foïs) operate an organic farm in the Spanish countryside. However, their earnest enthusiasm reeks of patronizing privilege to the handful of "hill people" families who have toiled on the land for generations. Tensions between locals and foreigners boil over in this edge-of-your-seat thriller.

Lakelands /Ireland. 2022. R-15. 100 mins. Thursday 19th October at 8pm

After an attack on a night out, Cian, a young Gaelic footballer, struggles to come to terms with a career-ending injury, where Gaelic football is a religion and identity is defined by what you can do on the pitch.

Awards at Galway Film Fleadh, Kerry Film Festival & Glasgow Film Festival.

Sean Moylan, Irish Revolutionary - Friday 21st October at 8pm

Is one man's account of key events during the Irish War of Independence. A man who sacrificed, suffered and risked his life for his country. It is a tribute to him and to all who volunteered, many of whom paid the ultimate sacrifice, and to their families who bear it. In our later years, how do we feel about the actions and decisions of our youth? Did the volunteers have regrets? Feel pride? Shame or guilt? How did they deal with what we would now call PTSD with no network of support?

Written and performed by Michael Patric, (An Cailín Ciúin, Smother, Frontier) and directed by Geoff Gould, the play will take the audience through dramatic events of the period. Ambush and guerrilla tactics, life on the run and the lasting effects of it all. In true Moylan fashion, it will be intense but funny and direct but reflective.

An evening sure to entertain, inform and provoke conversation.

Kenmare and District Garden Club

In early September members visited Derreen gardens for lunch and a walk around the estate – a delightful way to return to the monthly meetings. The gardens were looking magnificent in the sunshine and the continued development of this historical garden was very much in evidence – the setting on the Kenmare River is hard to rival. Indoor lectures are now recommencing in the Gateway.

Our October talk was a return visit by popular demand of Assumpta Bloomfield. Her talk was on Corona North of the renowned Altamont Gardens, Tullow.

Next meeting: 9th November: Talk by Shirley Lanigan: 'Gardens that stay with you: Special Gardens and Special People'. Author of 'The Open Gardens of Ireland'.

Reminder: Meetings are on the first Thursday of the month, unless otherwise specified. Venue: The Gateway (beyond the Centra Garage heading on the Molls Killarney road, opposite the Brooklane Hotel grounds), parking available. Non-members are very welcome (small fee)

Risen Light Garden Sneem

It's been strange not to be in and around the garden for a while. Thanks to 'The Team' the vegetables were kept going and growing. We are now considering the vegetable beds for next year and we would love to have some feedback as to what you really liked or didn't like, what you would like to see more of and what you might want us to look into growing next year ... no promises, but we will try.

With our new Polytunnels we are now aiming to create a heating system that will sustain a base temperature all through winter and help to keep the vegetables growing, hopefully. Quite the experiment ...

Please, feel free to contact us anytime ...
