Christmas Lighting and Santa Visit

The Sneem Lighting parade took part Friday 6th December. Storm Darragh did its best to try to put a dampener on proceedings on the evening . Due to extreme weather conditions, the event was moved indoors. This decision proved to be a great success . Lights were switched on by three kids from the local schools: Ruby Moran from Tahilla school, Jane Mulcahy from Sneem school and Lauren Condon from Caherdaniel school. The children had a ball in a warm and safe environment. Thanks to all those that helped on the evening - Una who co-ordinated the local businesses to sponsor the proceedings, Patie for music, Santa and his Elf, Shane for hot chocolate, D. O'Shea's for mulled wine, Mace and Sneem Hotel for the mince pies. Thanks to all those who helped oversee the safe distribution of mulled wine and hot chocolate. Thanks to the CE crew who helped set up the hall. Forgive us if anyone was omitted. Mike and Shane should be acknowledged for the beautiful tree on the bridge and thanks to those who allowed lights to be hooked on to their own electric meters to provide lightening for the adjoining street. Pictured is poor Santa making his way through the chimney.

St. Michael's and St. Patrick's Church News

Not surprising that the topic of the day as I write these few notes is the weather… Storm Darragh is on its way and we are advised to take every precaution as it could be very severe. Hope no undue harm comes to humans or homes.

Sneem is pretty quiet at the moment which is understandable for this time of year. We did have a few weddings in the Parish which of course brought many visitors as guests. I'm sure they all had a nice time and best wishes to the couples who tied the knot.

Christmas is almost upon us and many families have put up decorations in their houses. I'm informed that quite a few parishioners are retuning for Christmas so parents are busy preparing bedrooms etc. Not everyone is in a position to visit home this year and best wishes go out to you all.

We will have Mass in Tahilla Church on Christmas Eve at 7.30 pm and in Sneem Church Christmas Day morning at 10 am.

We look forward as always to the lovely music and carols which enrich the Church ceremonies no end. May I thank Peter McAuliffe who plays the organ at both Masses and all choir members who are very dedicated. Good music, good singing sets a lovely atmosphere as we celebrate our Masses at the Christmas celebrations and indeed throughout the year.

No doubt there is great Santa excitement which lifts our spirits as adults as we enjoy the innocence of joy and happiness of the children… Long may it last!.

May I take this opportunity to thank all our volunteers in both Churches who help throughout the year. Many thanks to all who contribute generously to the Parish and all who help in so many ways. It is greatly appreciated.

For some, this may be a sad Christmas—maybe a loved one has died—someone is very sick or some other personal reason.. May I wish you well and hope you have lots of company over the festive season. Best wishes to all who are sick at present – wishing you a speedy recovery.

May I also wish you all a happy Christmas and may 2025 treat you real kind.

For the present… stay safe… stay well … stay in touch.

Fr. Liam.

Our Meals on Wheels service is available on Monday, Wednesday, and Friday for €7.50 per meal. We deliver to the broader Sneem area. Please contact 086 3533861 at least 24 hours in advance and inform us of any allergies.

We are currently seeking volunteers to assist with meal delivery three days a week and to help with the monthly mass. Deliveries take place on Monday, Wednesday, and Friday at 12 noon. Any assistance provided would be greatly appreciated, even one of these days a month. As we operate as a voluntary committee, we are unfortunately unable to be present every day.

In addition to our meal delivery service, we also offer laundry services, chiropody, and room rental.

Monthly Mass

We would like to express our gratitude to everyone who attends Mass in Coomanassig. Mass is usually held on the first Tuesday of every month in the Centre at 11 am and we often have guest speakers, so everyone is welcome to come. After the Mass, we will also have tea and a chat. The next mass is scheduled for Tuesday 7th January 2025 at 11am, and everyone is welcome to attend.

The Sunshine Room's Winter Adventures!

This month in the Sunshine Room has been a flurry of fun, learning, and festive cheer! Our classroom has been busy exploring, creating, and celebrating the magic of the season.

We began the month by diving into the icy world of Arctic animals and their habitats. The children learned all about polar bears, seals, and penguins, sparking curiosity and creativity. To complement this, we painted beautiful polar bear portraits and cheerful rocking robins, adding an artistic touch to our winter wonderland theme.

We also had great fun playing polar-themed games with the junior classroom, strengthening friendships and teamwork. A highlight of the season was decorating our classroom Christmas tree together, which now shines brightly with our beautiful ornaments.

In preparation for our Christmas performance, we've been practicing our Lámh signs to bring extra sparkle to the show. The children have also been enjoying their Christmas annuals, filled with puzzles, colouring, and activities, which add to the festive excitement.

Our special trip to the Village Kitchen with the Rainbow Room class was a true treat! The children savored delicious hot chocolates while sharing laughter and making lovely memories. Another December highlight was attending the pantomime "Little Bo Peep's Christmas Mix-Up" at the Carnegie Theatre, which had everyone laughing and singing along.

In maths, we've been exploring 3D shapes and working with numbers 10-20, building our skills through fun, hands-on activities.

As Christmas holidays approach, the Sunshine Room is brimming with joy and we're proud of all the learning and laughter we've shared this month. We wish our community a very Merry Christmas and look forward to more adventures in the new year!

We are all very excited for Christmas in the **Rainbow Room.** We had a very busy month. The boys and girls really enjoyed dressing up for Christmas Jumper Day on Friday the 6th of December.

We went to see "Little Bo Peep" in the Carnegie. We had great fun. We also took a trip to the Village Kitchen with the Sunshine Room for our Christmas treat.

We are working on winter and Christmas art. We have designed Christmas jumpers and Christmas decorations. We have made Christmas wreaths. We continue to work on our literacy and numeracy skills, visit the library bus, take part in football with Pierce and sing with Peggy and Aoife.

We are finalizing our Christmas show video performance. We look forward to seeing you all at the show in the coming weeks. Happy Christmas, The Rainbow Room.

Junior Room

We were very busy with experiments during Science Week recently with the children experimenting with mixing colour and exploring how things work. We also studied the arctic and made polar habitats. We made art based on the Northern lights and learned to draw polar bears. At the start of this month the children went on their annual trip to the Carnegie in Kenmare to see the panto. This year's show was called Little Bo Peep and provided lots of laughs and excitement as usual. We also supported the St Vincent de Paul Christmas jumper appeal as we all donated while wearing our festive attire on the 6th of December.

Community Action for Rhododendron Management

Lauragh Community Council organised a meeting about Community Action for Rhododendron Management which took place on Monday 25th November in Kenmare Golf Club which was well supported by people from Sneem, Kenmare, Lauragh and surrounding areas.
It was great to see such a big turnout on the night for the first public meeting and the launch of the mapping app. There were four speakers, Eoghan Dalton – author of "An Irish Atlantic Rainforest"; Gerard McEnery, NPWS who spoke about eliminating rhododendron from Inchiquin valley; Rob Dewar, National Trust for Scotland about approaches to long term sustainable rhododendron control and Aikaterina Karantzi, UCC who introduced the community mapping app for Rhododendron ponticum. Join the Facebook group 'Community Rhododendron Mapping Ireland' for updates.

If you are interested in joining the Sneem WhatApp Rhododendron Control Group, text Tom at 083 3345897.

The 15th Kerry Sneem Scout Group

Peace Light

As has become a tradition for the last 6 years, the Peace Light of Bethlehem will be in Sneem again this year. The Scouting and guiding communities from around the world ensure the distribution of the light from the Eternal flame in the grotto of Bethlehem.
Sadly, because of the conflict in the Holy Land this year's Peace Light cannot be taken from the Church of the Nativity in Bethlehem, instead, Scouts throughout the world will use the flame of Peace Lights that have been carefully kept alight in their native countries.

I am pleased to inform you that in Kerry, the 2nd Tralee Scout Group has also patiently tended the flame for the last twelve months. Thanks to Ted Heslip and the 2nd Kerry Scouts we will again be able to distribute the light in our community. It has become a constant symbol of peace and our struggle to ensure peace for all.
The peace light will be at the Christmas Day Mass in Castlecove and St. Michael's Church and The Little Church in Sneem.
It will be in the window of Peter O'Sullivan Butchers from 22nd December until after Christmas. Anyone who would like to transfer the flame to their home can do so from the shop or at any of the above services.

Sneem Resource Centre Christmas Market

On Sunday, 1st December, Sneem Resource Centre held its Annual Outdoor Christmas Market. It was a great success again this year with over 35 stalls, we would like to take this opportunity to say a huge thank you to the loyal stall holders and the wider community for supporting us again this year. To Joe Murphy and the CE team thank you again for lending a helping hand. We are looking forward already to a bigger and brighter Christmas Market next year! Wishing everyone a very Happy Christmas and a Healthy New Year.

Sneem TidyTowns

Work continues when the weather is dry. Cara has got creative in the Garden of the Senses weaving fences to make safe winter habitats for creatures.

Our Thursday team are still in action keeping the beds in the Squares looking well.

To spot this month: keep an eye out for queen bumblebees

The normal lifecycle of most Irish bumblebees ends when the workers and males die off and the newly mated queens hibernate through the cold winter months. However, in recent years, the Buff-tailed bumblebee (Bombus terrestris) has been seen foraging during winter months in both Ireland and Britain. It is not known for certain what exactly is causing this. You can help improve understanding by letting the National Biodiversity Data Centre know if you spot winter-active bumblebees. Submit your sightings to https://records.biodiversityireland.ie/record/bumblebees

To do this month: take some Willow cuttings

Willow is a vital food source for bees in spring. At this time of year, you can take hardwood cuttings from existing Willows, creating a new Willow plantation at little cost. Check out our Sally Garden in the Garden of the Senses which was established this spring from cuttings - we are looking forward to harvesting it soon so get in touch if you are interested in getting some cuttings.

Sneem Walking Club AGM

Our AGM was held on 29th October in Dan Murphy's Bar.
Present: Nick Heffernan, Frank McGonigle, Fergal Harrington, Ravit Yanay, John Moses, Sue Moses, David Fay, Alexandra Mangold, Christian Mangold, Laurence Vanpoulle, Jochen Gertz, Conor O'Sullivan, Colin Tollervey, Michael Joe Murphy, Dom Reynolds.

Chairman Introduction

Nick Heffernan thanked all attendees, the Committee, all volunteers who lead walks throughout the season, and thanked Michele Cooper-Fay, who was stepping down as Secretary and from the Committee after 6 years of service. To Sean, Dan Murphy's for letting us use the The Loft Bar for meetings at no charge and to the landowners for letting us walk on their land.
Nick mentioned the great growth in the club this year with 11 Affiliate Members and 47 Full Members. He acknowledged that splitting the walks weekly between A and B walks had proved successful.
The club thanks Dan Murphy's Bar for their continued support for the Club.

Review of the Walking Weekend

Nick Heffernan reminded everyone the goal of Walking Weekend was to bring people in from outside and showcase the area; bringing revenue to businesses at a time when things quieten down in the village. Ravit Yanay provided an analysis report on the Walking Weekend with the following highlights:

- An orange weather warning causing walk cancellation for Saturday was dealt with successfully by extending the Sunday program and issuing refunds.
- The Friday evening night time walk had 28 walkers and was a huge success with the walkers finishing in D. O'Sheas for food.
- The joint starting of the A and B walks up Beann was considered a success with 24 walkers in total.
- A grant of €500 was secured from Kerry County Council for first aid kits for the event.

Developing the Club Going Forward:
The Club will prioritise developing more leaders for walks. This was reflected by appointing a Training Officer and a Walk Schedule Sub-Committee that will build on the training provided by Mountaineering Ireland this year.

Appointment of Officials:

Chair: Nick Heffernan. **Secretary:** Ravit Yanay **Walk Scheduling Sub Committee:** John and Sue Moses, Michael Joe Murphy, Nick Heffernan, Laurence Vanpoulle. **Treasurer:** Frank McGonigle **Training and Safety Officer:** Fergal Harrington.
Fees: for the Walking Club have increased to €43 from last season's €40, to reflect the increase of €3 from Mountaineering Ireland.
