## All Ireland Coastal Rowing Championships

On the weekend of 15th, 16th and 17th August crews and families headed to Glenarm to represent our club in the All Ireland Finals. Firstly, we as a committee would like to congratulate and thank them all for making the long journey to Co. Antrim to represent our club. Big thanks to their trainer Paul Breen for entering them and training them for 6 races.

The competition this year was very tough and of a very high standard, but the Minor Boys (U18) were delighted to return home with a gold medal in their Heritage race. Thanks to Aisling Scannell who coxed them in "The Swallow "

Pictured below Sam O'Sullivan, Alfie Burns, Aisling Scannell, Aaron Breen, Colm Ryan, Cox Paul Breen. Well done to all the other rowers who gave huge efforts in their races. A huge congratulations also goes to Caroline Clifford who received an award for her contributions to Coastal Rowing, spanning over 20yrs. A very well deserved award for her. Thank to Brian Foley yet again, for taking our 2 boats to Antrim this year, and pulling boats all season to all regattas.

## Sneem Cardiac First Responder Team Community

### A Heartfelt Community Response

We're delighted to share that the Sneem and local community has shown an absolutely fantastic level of enthusiasm for our new Cardiac First Responders initiative. We now have around 12 local volunteers eager to step up and become trained responders.

As they head into their training program, we're looking forward to soon having our very own team ready to cover a 15-kilometer radius around Sneem. A huge thank you to everyone who's volunteered and supported this vital initiative!

Should you wish to contribute in anyway please contact the SCFR Manager John Moses 0858810922.

## Sneem BeeKeepers

The first confirmed nest of the Asian hornet (*Vespa velutina*) in Ireland was recently found in Cork city. The discovery followed a sighting earlier in August and was quickly dealt with by the Asian Hornet Management Group, working alongside the National Parks and Wildlife Service and other experts.

The Asian hornet is an invasive species that mainly affects wildlife, as it feeds on honeybees, bumblebees, and other pollinators. It is not a danger to the public, but it can put pressure on our local biodiversity if left unmanaged.

For now, the key message is simply to be aware and observant. Any sightings should be reported with a photo so they can be checked by trained teams.

For more information and guidance on how to report, please visit [Invasives.ie](https://invasives.ie).

## St. Michael's and St. Patrick's Church News

As we share this booklet we are blessed with fabulous weather. We also hope the harvest will be fruitful.

Kerry's victory in the All Ireland senior football final was very welcome if a little unexpected earlier in the championship. A great lift was celebrated by Kerry folk at home and away.

We must also congratulate all at Sneem rowing Club on their winnings at the All Ireland in Co Antrim and neighbouring Parishes as well.

The Leaving certificate results have arrived and I hope each student is happy with the result they got.

Now the decision what to do next has to be discussed and decided upon. Wishing each students the very best .

A change from National to Secondary School will also take place for some boys and girls. This can be a daunting experience for some. After a short period hopefully everyone will settle into their new environment.

Our visitors are here in great numbers and hope they all are having a lovely and wonderful time during their stay. We will always welcome them to our Parish and hope they depart with great memories .

The Sunday Mass is attracting great numbers who add so much to the celebration of the Liturgy and also thanks to all who contribute so generously.

Again many thanks to our Volunteers who are so reliable and helpful. Many are doing it for years and others a shorter period but all really are appreciated.

Sickness has visited some homes and every good wish is sent to one and all for a good recovery.

Sadly we had a share of funerals and sincere sympathy to you all who have bid farewell to a loved one, family member, neighbour or friend.

Puck Fair is over...The 15<sup>th</sup> of August is over in Kenmare ...The Rose of Tralee is over too, so over all it's been a busy year. An there's still a lot of happenings to fill our calendars for the rest of the year.

Ciarrai Abu,

Fr. Liam.

## St. Michael's National School

Welcome!

We are very happy to welcome our new Junior Infants to our school community! Starting school is a big and exciting step. We wish all our new pupils and their families lots of happiness as they begin this new adventure. We look forward to seeing them learn, grow, and make new friends this year.

Front Row (L-R): Denys Futerko, Isla Jonas, Damian Barron, Dylan Barron, Zosha Casey, Connor Casey, Amina Kobyliatska, Aurelia Borowczyk.

Back row (L-R): Odhran O'Connor, Micheal Mac Gearailt, Ethan Pilz, Johnny O'Sullivan, Aleksa Lelito, Antoni Lelito, Fiadh Gard.

Pictured with their class teacher Ms Ava Haines.

This year has been a great one for Sneem Scouts! With significant progress made towards our new storage sheds, advancements made towards our youth members earning more skills badges, and our trip abroad to Scotland with our Ventures and Rovers, we've been kept very busy! Between kayaking in the Sneem river, developing pioneering skills like our Spin the Wheel structure at St. Patrick's Day, many hikes and our annual camps, we covered a large portion of our adventure skills badges in every section, with every age group.

Our abroad trip to hike Ben Nevis (1,345m) in the Scottish Highlands was a very significant event for Sneem Scouts this year, as it marks the first time we've been abroad. Hopefully this will be the first of many such trips, and we'll meet even more members of Scouting worldwide, like how we met the Venture Scouts from Kansas who were on their own abroad trip, very far away from home. National and international Scouting events are an incredible way to meet new people from all over the country, and the world.

A big thank you to our youth members and our volunteers who make this all possible, and a huge thank you to the community in and around Sneem whose support makes a world of difference in many ways, including but not limited to lending us their time, knowledge and space.

We look forward to seeing you all again in this new term, and welcoming more people into Scouting, whether they be youth members, or volunteering Leaders. We plan to start off with a bang by hosting a county-wide event for all age groups on the 27th of September.

For information about joining Sneem Scouts at any level, please contact +353 86 812 6546, or email [sneemscouts@gmail.com](mailto:sneemscouts@gmail.com).

# Sneem Tidytowns

## Rhododendron Control Project

Following on from training in pesticide and chainsaw use, on 15th August, Ger McEnery from the National Parks and Wildlife Service delivered a training session on invasive rhododendron treatment in Sneem. We had a short presentation in the Little Church and then a practical demonstration on the stand of Rhododendron behind the tennis courts. Ger showed us how to nick each stem near the base with a hatchet and apply a small amount of diluted glyphosate directly into each cut. The addition of blue dye to the herbicide allows you to see where you have carried out the treatment. The group treated the whole stand and now we wait to see it die off. We are planning a trip to join the Killarney Meitheal who clear rhododendron in the National Park. If you would like to join us, please contact Tom on 083 3345897 or email [SneemTT@gmail.com](mailto:SneemTT@gmail.com).

The Sneem Rhododendron Control Project is funded through the #NPWS Peatlands and Natura Community Engagement Scheme 2025.

## New signs

## Sneem Riverbank Clean Up

Friday 19th September

Meet at Sneem Bridge at 11am

Gloves, pickers and bags provided.

Wear suitable footwear/wellies

## To do this month:

If the weather is dry, collect some of your favourite wildflower seeds such as purple loosestrife, knapweed and devil's bit scabious.

Plan to cut and lift your long-flowering meadow. Mid-September is the time when long flowering meadows should be cut, and the grass cuttings removed. Having these meadows, however small, is a fantastic action for biodiversity as it is returning a vital species-rich grassland habitat that has been lost in Ireland.

Remember to leave some areas uncut for overwintering insects.

# Sneem Story House

## Junior Infants

We welcomed 3 new children to junior infants class. Their names are Erik Romashyn, Jade Coffey and Dylan Buckley pictured here with their teacher is Marian Sheehan.

## Tahilla CNS Summer Camp.

Tahilla CNS was delighted to welcome pupils back a few days early for two fun-filled weeks before the new school year begins. The first week kicked off with a creative stone art project. Children collected pebbles, twigs, and leaves to design unique pieces inspired by the special things in their lives, from family to pets.

On Tuesday, the group enjoyed a trip to Sneem, starting with a fun game of mini golf. We then strolled to the old playground and followed the river to The Bridge Café, where we enjoyed a delicious meal. Afterwards, we treated ourselves to ice cream in the sunshine before finishing the day with a fun game of tennis.

On Wednesday, we continued our much-loved music tradition by bringing in our instruments for a practice session. We also enjoyed making our own instruments and even recorded some original music of our own.

On Thursday, we welcomed the Animal Roadshow, an exciting opportunity for everyone to get up close with a variety of creatures. Children had the chance to hold a tortoise, bearded dragon, snake, owl, and even a bunny. We rounded off the day by picking blackberries and apples from our orchard and using them to make a delicious apple and blackberry crumble.

On Friday, we tried our hand at knitting and crocheting, learning new skills and creating some lovely pieces. We wrapped up the week with a well-deserved pizza party, enjoyed by all.

## Kenmare and District Garden Club

The KDGC concluded the Summer season with two very enjoyable outings. In May members had the opportunity to visit three local gardens, Dereen, Dawros and Ardea and at the end of June a group of members made an overnight visit to counties Cork and Waterford including a delightful visit to Lismore Castle gardens. They also managed to visit another five gardens on their busy trip: *Tara, Donoughmore; Blarney Castle; Shady Plants, Clashmore; Georgie Penruddick, Youghal and Ballyin Gdn Hse, Lismore.*

The group in the garden of Georgie Penruddick in Youghal Estuary

In addition, over the Summer, there were club members' gardens to visit including the annual afternoon tea and plant swap at Stephanie and Jaimie's. Members Neal and Ali, and Louise and Stephen, held open gardens and raised significant amounts for charity. All of which allowed fellow club members to appreciate and learn more about the potential for creative gardening in our beautiful surroundings.

The club's new season began on Thursday September 4th when we had Ciaran Burke as our Guest Speaker. Ciaran is the Head Gardener of Johnstown Garden Centre in Naas and now also the owner of The Paddock in Swords. On this visit Ciaran spoke about '**Plants at the Paddock**'.

**Next Meeting:** Thursday 2nd October.. **Time:** 6:45pm for tea and coffee.

**Meetings:** 1st Thursday of the month, *unless otherwise specified.*

**Venue:** The Gateway V93 T9XT (*beyond the Centra on the Killarney/Moll's Gap Rd and opposite the Brook Lane hotel*). Parking available. **Visitors welcome.**
