Carrauntoohil Climb

Members of the Sneem Solidarity Support Group carried flags to the top of Ireland's highest mountain on Sunday 28th September. This is an expression of awareness as well as commitment from ordinary people in Ireland to ordinary people in Palestine as they suffer humanity's worst crime of genocide. We send hope and prayers for their future in better times, and perhaps with government help, we will support them in more practical ways also. In dark times, high points stand out, the Sneem Vigil is multinational with French, English, Belgian, Irish and Canadian people from all over attend and as tourists come up and offer their approval of the vigil. The vigil is held every Saturday at 1pm in the South Square, everyone welcome.

Sneem Community First Responders

Training Underway!

Our team of dedicated local volunteers has begun their training, with great support from the community – including generous help with space and facilities from local businesses. We're aiming to be fully operational by December, depending on how the training progresses.

Fundraising has been strong, and we're incredibly grateful for the encouragement and contributions we've received so far. To ensure we're fully equipped and ready to respond, we're still welcoming support through our **JustGiving** page. Every donation, big or small, brings us closer to the finish line.

Thanks for helping us build something vital for Sneem and the local community.

For further information, or to make a donation, please contact John Moses 085 8810922.

Sneem Sustainable Energy Community (SEC)

Since our last update there has been a lot of interaction with SEAI in order to obtain the Energy Master Plan Grant. We are delighted to say that we recently received the Grant Agreement, which allows up to €20,000 to be used for the technical expert required to develop the strategy around the Energy Master Plan for Sneem, through an audit process. This grant is 100% fully funded and as Kerry County Council has now set up a MoU (Memorandum of Understanding) they will pay out on any costs and claim this back from SEAI.

The next stage is to work with our Mentor, Martin Bealin, to produce a RfT (Request for Tender) and contract. On appointment of the technical expert a "kick – off" meeting will be arranged between the SEC, Mentor and technical expert to agree the specific deliverables and a time line; this will lead to a contract being drawn up. This next stage can typically take 9-12 months.

When we feel we have anything more substantial to impart we will arrange a public meeting.

In the meantime, if anyone has any questions, please feel free to email Sneem SEC: sneemsec@gmail.com

St. Michael's and St. Patrick's Church News

On this October evening, I greet you all, hoping life is good to you and treating you real kind. The dark evenings are upon us, and indoor activities are being planned for the coming months.

We were blessed with many visitors during the summer; indeed, the weather was very favourable during their stay. Visitors should never be taken for granted, and a warm welcome should be the order of the day.

The schools have reopened and the children and pupils are settling in very well. Some are starting school for the first

time, others are now starting secondary school for the first time, and more have gone away to college.

We've had a share of deaths and sympathies to all who have bid farewell to a loved one.

One of those who died was Mary O'Regan. Mary gave wonderful service to Sneem Church and had great respect for all people and visitors who came and went. Mary also gave much of her time to the whole community, and many facilities we use today are thanks to her dedication and hard work. Sincere sympathy to her family and friends, and let us all appreciate her commitment to the parish down the years.

Presently, a few of our parish team are laid low. Deacon Jean Yves has had a hip operation, and his sidekick "Fr." also disappeared for a few weeks. Here, the strength of our volunteers showed their true commitment and saw to it that everything went off very smoothly. Sincere thanks to everyone for your wonderful help and support, which I greatly appreciate.

Good wishes to all who are sick at home or in hospital, and a speedy recovery to you all.

For now, the lights are on early and the fireplace is glowing with the flames, and I hope you are in reasonably, if not great form.

"A little thought" - Keep the heart up and the fire down.

For now, take care, stay well.

Fr. Liam

Next Mass in Coomanassig takes place on Tuesday 7th October at 11am.

Another September marks the beginning of a new Scouting year with 15th Kerry. We've had a brilliant kick off to this year. Saturday 27th held lots of fun and new friends made as we hosted our much-anticipated Wacky Races. We had over 100 youth members in Sneem for the event, which was a massive success! We had solid representation from all around the county, with participants from 2nd Kerry (Tralee), 3rd Kerry (Milltown), 3rd Kerry (Blennerville), 6th Kerry (Killarney) and our very own 15th Kerry. The overall feedback was that our Races were many youth member's introduction to Scouting on a county-wide scale, and that they loved it. We are delighted to hear this, and hope to bring the same joy and excitement to all Scouts, both new and returning.

The day consisted of many moving parts, with everyone from our youngest Beavers to our skilled Ventures using their Scouting skills to their fullest. The Beavers and Cubs had a day of crazy games, brilliant orienteering that required a combination of map-reading skills and teamwork, and magical storytelling in the Little Church by Danny Quinn. Scouts used their expertise to build rafts to race up the river on, whilst the Ventures upped the ante with their catapults made of logs and rope, launching tennis balls at the rafts. Even the Beavers got to launch a few as they spectated! After BBQ and campfires, everyone was ecstatic to receive a special badge for the hard day's work.

Well done to everyone who participated in the day, with thanks to the Blennerville, Tralee, Milltown, and Killarney groups for making the journey down to Sneem. Thanks also to Danny Quinn for entertaining the Beavers with his storytelling, and Donal from Kerry Orienteers for setting up the orienteering course, and not forgetting the parents and friends of 15th Kerry who volunteered their time throughout the weekend to make an amazing scouting event happen.

Looking into the rest of the year, the Scout section have an exciting time ahead with four camps planned as well as lots of other exciting adventures. Scouts is a youth led program so the specific activities each year depend on what the Scouts want to focus on. Kayaking, hiking, climbing, fire lighting, and outdoor cooking are often favourites. We really need some new members to join our excellent Scout group. Anyone 12-15 in the greater Kenmare area who enjoys the outdoors should contact us now to get started. We're always thrilled to receive new members and keep Scouting alive. Paul Fairbairn 087 765 9448 or Sheena O'Sullivan 086 812 6546, or email at sneemscouts@gmail.com.

Kerry Way Ultra and Kerry Way Ultra Lite

Hardened endurance athletes paced themselves over mountains and across valleys. The Kerry Way Ultra, sponsored by Six West, traverses some 200km of open ground and forest, through the Old Red Sandstone landscape, touching Irish history, archaeology and folklore. First run in 2013, there have now been some memorable achievements, including completing the course in under 24 hours !!! More than 200 intrepid entrants set off from Killarney, on Friday 5th September, with most passing through Sneem during the night. The brazier is surely a highlight for them to warm their bones and local children also enjoyed toasting their marshmallows. A big shout out to Sneem's local marshals.

"Sneem has been an integral part of the overall experience" stated Niall (DRD).

A further 120 competitors availed of the 60km Lite adventure, setting off from the village at 9am on Saturday, 6th September.

St. Michael's National School

The Junior Room had a fantastic first month settling in and making friends. We learned nursery rhymes like "Humpty Dumpty," "Star Light, Star Bright," and "1,2,3,4,5 Once I Caught a Fish Alive," and made colourful art inspired by each one. We enjoyed chalk art outside in the autumn sunshine and had lots of fun with water play. In class, we began learning about sounds and numbers, and explored our bodies and senses through hands-on games and activities. Music with Aoife and Peggy was a weekly highlight. We look forward to more adventures ahead!

1st, 2nd and 3rd Class News

Hello from the Middle Room! The boys and girls in 1st, 2nd and 3rd Class have been very busy! In art, we created self-portraits, hedgehogs, autumn leaf prints, name art, bookmarks and much more. In history, we learned all about our family trees, and in geography we explored our local environment – Sneem Village.

We are also working really hard on our literacy and numeracy every day. Well done to everyone for their fantastic efforts! We look forward to a wonderful year ahead.

Sneem Riverbank Clean Up

Sneem National School were invited to join forces with Sneem Tidy Towns and local volunteers for the Riverbank Clean Up on Friday, 19th September. What a fantastic initiative! After a safety talk by Jane O'Sullivan each trio set off to their assigned location with their gloves, pickers and bags. A very productive morning was had and we were beyond lucky to avoid the September downpours!

Quiz Night

We are very grateful to everyone who attended and supported our Quiz Night in Riney's Bar on Friday, 26th September. Thank you to the Parents Association and to our quizmaster Stephanie Cahill who certainly set the bar high especially with her dingbat rounds. Congratulations to the winning team Mark Drummond, Sarah O'Sullivan, Ellie O'Sullivan and Leah Sugrue who also very kindly donated their winnings back to the school.

We would like to sincerely thank all the local businesses who were beyond generous with their sponsorship prizes that were donated to our school representatives Sarah O'Sullivan and Gabija Knyzaite. The school raised a total of €1,570. Thank you all so much.

Cumann na mBunscoil

Well done to our girls and boys who travelled to Waterville to participate in Cumann na mBunscoil last week. Teams in Group 1 included Cillín Liath, Caherdaniel and Waterville. The girls were knocked out by Cillín Liath. The boys made it through their group beating Cillín Liath in the final with a thrilling extra-time performance.

Cumann na mBunscoil is predominately a 5th and 6th class competition where the girls also play in the boys' team. We will travel to Derrynane pitch this week to play Aghatubrid, the winners of Group 2 in the South Kerry Final. The team is raring to go!! Sneem Abú!!!!

A Special Thank You To The Bridge Bistro

We could not be more grateful to the Bridge Bistro for their continued generosity. David and his team have been collecting cans for St. Michael's National School over the past 6 months. Under the Deposit Return Scheme pupils have been returning the cans and deposits received are being gathered and will be put to invaluable use. What a wonderful, kind gesture. Thank you so much. We really appreciate your support.

Rubbish Issues

Our Tuesday TidyUp teams often have visitors asking where the bins are located in Sneem and during the summer, the bins were sometimes full despite being regularly emptied by the dedicated CE team. Kerry County Council were contacted about installing additional bins and the response received was that they are unwilling to provide Sneem with additional bins as they are aware that household rubbish is being disposed of in them!

We are fortunate that we have a local waste disposal scheme here in Sneem whereby you can purchase a general waste bag for €5 and a bag for recyclables for €3 from Hilary's, the Post office or Mace and leave the full bags in the trailer in Seaview. There is a bottle bank by the GAA pitch and a recycling machine outside Hilary's.

We would encourage commercial premises to look at ways of minimising the waste associated with single use items like coffee cups and ice-cream tubs. We are working on a Circular Economy Action Plan which will be appealing for buy-in from businesses to find ways of reducing waste from single use items.

The children from Sneem National School recently participated in a litter pick around the village and they noted all the pieces of rubbish found and graphed them. Once again, cigarette butts were the most prevalent items found, but food wrappers were the next, so businesses can take action here.

Data collected by students of Sneem NS

We would like to say a big thank you to Bertie and Margaret Christian - Mace, John Damien and Grace O'Sullivan - Costcutters, and Johnny O'Sullivan - Hilary's for donating crisps which the children enjoyed after their hard work. Huge thanks to the enthusiastic kids from the middle and senior rooms and their staff for helping out with the litter pick again.

Tahilla Community National School

Senior Room

The Senior Room have been settling into a new routine with their teacher Múinteoir Callum. We are delighted to have him with us here in Tahilla CNS this year. He is bringing his interest in drama and a dedicated work ethic to enhance the school experience for the children.

Junior Room

Múinteoir Marian's Junior Room has been bursting with creativity in recent weeks, producing a wonderful collection of artworks. As part of their lessons, the children learned about the artist Paul Klee, whose colourful, geometric style is full of fun and imagination. Inspired by his work, the pupils experimented with blocks and paint using the printing techniques to create their own playful pieces.

Apple and Lemon Sherbet

Meanwhile, the whole school has been busy collecting apples, from the apple trees in front of our school, since returning after the summer. There has been an abundance of apples this year, and many children brought home bags of apples to use in baking. Our fantastic SNA, Elaine McGreevy, also gathered a bunch of apples and prepared a refreshing apple and lemon juice for everyone to share. It was a treat enjoyed by both staff and students alike!

A Special Welcome!

We would like to give a very special welcome to Arthur Nolan. Arthur is a son of Christena O'Sullivan who attended Tahilla School herself as a child. Lara Rygoll is joining us from Germany on an Erasmus+ Programme. Lara is a fully trained teacher and is completing her overseas internship at Tahilla CNS. Jonas Scheibein is with us on Wednesdays on work experience as part of his SNA training. He is a past pupil and is going to do some baking with the children.

Bring Your Pets to School

During our first week back, one of our school families kindly brought in their pets, a rabbit, a hamster and two rats – to share with the pupils. The children had the opportunity to hold the animals and to learn about what they eat and how they are cared for. It was a fun and memorable way to start the term.

Official Opening

The official opening of Tahilla CNS, originally scheduled for September 12th, had postponed as the Minister was no longer available on that date. We will confirm a new date as soon as possible. In the meantime, we would like to sincerely thank all those who have already offered their support and assistance in preparing for this special occasion. As our school transferred patronage in August 2019 and the Covid-19 pandemic took over in March 2020, we have not had the opportunity to have our big day of celebration as of yet.

Tahilla Community National School

Come and Join Tahilla CNS

We are accepting enrolment applications from 1st October 2025. We have a bus serving Kenmare, Templenoe, Rossacoosane and Blackwater. If you would like to come and visit our school please make contact on 085 8717284 or info@tahillacns.ie We are the only multi-denominational school in the area and are very proud to be part of Kerry Education and Training Board.

Tahilla CNS Summer Camp

On the Tuesday of our second week of summer camp we took a trip to Derrynane. The children were given a guided tour of Daniel O'Connell house which was really interesting and they learned a lot. We were so proud of all of our students for listening carefully and for asking some excellent questions. We then walked to the beach for some fun sea swimming and built a few sand castles. A special thanks to Anton Wauters for supporting us on this trip. Everyday we went for a 1km walk. The weather was absolutely fabulous. On our final day of camp we walked from the school, along the Kerry Way, to Parknasilla Woodlands Playground. The zip line was a big hit. Thank you very much to Parknasilla Hotel for allowing us the use of this wonderful facility. Naturally, the children were tired after walking almost 2 hours and Múinteoir Máire was waiting at the playground with a box of Calipo ice-pops!!! A welcome cool down on a hot day. A special thanks to all staff involved: Ava Wiley, Elaine McGreevy, Molly Breen, Ciara O'Leary, Sinéad Connolly, Máire de Cógáin and especially Louise Foley who put together the programme of activities.

School Food Opportunity

We are currently between suppliers for our school meals. Our e-tender process for hot school meals will be beginning soon. In the meantime, we are seeking applications for provision of snacks and cold lunches. If you or anyone you know may be interested or in a position to support us in provision of either cold or hot food please get in touch. Our previous supplier, School Food 4 Primary provided freshly cooked meals on site, which were wholesome and delicious. The kitchen they installed remains in situ and could be an option for a suitably qualified and insured chef.

Kenmare and District Garden Club

The first meeting of the KDGC brought Ciaran Burke, who is the Head of Horticulture in Johnstown Garden Centre, Naas, as our guest speaker (CiarantheGardener.com). For this talk to the club, Ciaran spoke on 'Plants at the Paddock'. This referred to Ciaran's own work on a completely new garden of half an acre in Swords. Here, Ciaran has returned to his roots. He told the group of growing up in Swords and his immersion in horticulture from an early age. During Covid, Ciaran began his work on The Paddock, starting with a vegetable garden.

Since then he has carried out extensive work throughout the garden and this work is on-going. Ciaran provided us with detailed descriptions of many of the plants and his planting designs. He has used his in-depth knowledge and his flair as a plantsman to often use plants in less usual ways. He also provided information and images of plants he has acquired that are 'currently not available in the trade', e.g. Fuchsia magellanica which he has trained into a standard small tree or Philadelphus erectus, a compact, scented plant. He displayed a practical approach to plants, allowing them to grow and often self-seed before he decides if they work in situ or need removing. Ciaran linked his planting designs to the purposes of each area (e.g. privacy; sunlight; shelter) while also keeping the connection between house and garden. He has also used containers to excellent effect, including Rosa Roulettii, which he explained originated from a cutting from Switzerland and is doing well in the Paddock.

There is no doubt that the plants, and the design details, that Ciaran is using would be of great interest to other gardeners and plantspeople.

Next meeting: Thursday, 6th November. Venue: The Gateway.

Time: 6.45 p.m. Tea, coffee and welcome.

Meetings: First Thursday of the month, unless otherwise specified.

Venue: The Gateway V93T9XT (beyond the Centra Garage heading on the Molls Gap/Killarney road, opposite the Brook Lane Hotel grounds). Parking available. **Visitors welcome.**
