The school buses are back on the road. New pupils are experiencing their exciting drive to and from home. The Leaving Certificate results have arrived. Some are happy, others satisfied, others very disappointed. It's decision time. What will I do next? Where will I go? Best wishes to all who have decisions to make and may you do well in whatever choices you make. After a wonderful season weatherwise which was uplifting for all, tourists, farmers, the young and the elderly, seaside visits. All in all an enjoyable few months which was badly overdue. A few weddings have been celebrated in both Churches during recent weeks. Many couples and their guests have travelled from a distance and others not so far. All had a lovely time and I wish our newly-wed much happiness and the best of health in the future. Some families have experienced bereavements and sincere condolences to everyone who laid a loved one to rest. Also joy, love and happiness to those who had a family member baptised in recent weeks. Our volunteers had a very busy few weeks and I appreciate all who helped in so many ways. I felt very comfortable knowing that everything would work smoothly for all concerned. Thanks to Ted McCarthy and Geraldine McCarthy who open and close St Patrick's Church in Tahilla and St Michael's here in Sneem. I thank all readers, Eucharistic ministers, the people who collect the offertory and the people who count the money. Thanks to the people who provide beautiful music and song. Thanks to all who help with various Sacristy duties. All these people are willing and reliable. Thank you to all visiting priests and Deacon Jean Yves for your support which I appreciate very much.

Bridie Mangan, Old Post Office who died recently gave many years to the Church as a volunteer with music and song at many celebrations in the Church over the years. I acknowledge her commitment and support which I greatly appreciated, may Bridie and all our faithful departed rest in peace. At present the rain is raising its damp head but after the good year we have had we won't complain. The nights are getting dark earlier and before long it will be time for lighting the fire and switching on the heating. May I wish good health and healing to all who are sick and we will remember you in a special way in our Masses and prayers. May life treat you real kind. Look after yourself – Look out for each other. Stay well - stay safe - stay in touch.

God Bless. Fr Liam.

15th Kerry Sneem Scouts

Another Scouting year has begun.

We are celebrating 10 years of 15th Kerry Sneem Scouts. We officially opened our doors to the youth in our community in January 2017. Many of our first beavers have moved onto new adventures, but now it is time to welcome new members to this fantastic organisation.

What is Scouting?

Scouting is a youth led organisation that enables young people to build the skills they need to maximise life's opportunities. We are uniquely suited in Sneem to facilitate adventure with all sorts of activities on our doorstep. Our den is located at the Sneem community centre. We have walking trails, a BBQ area and kayaks all at our fingertips. We also travel to different parts of the country and beyond meeting other young people from other scout groups from all over the world. There are over 35,000 young people in Scouts in Ireland.

But Scouting is not just for young people, we need adults 18+ to help us facilitate the youth on their planned adventures. You can make a difference in the lives of young people and support them in their journey. You don't need to know anything about the outdoors, all we need from you is a willingness to support youth to build their own adventures. If you do have outdoor skills and you want to share those skills and your love of the outdoors, please don't hesitate to contact us, you don't have to have kids in scouting to enjoy it. There are opportunities to develop your skills and travel all over the world with scouting. We are back in action again for 2026/2027.

We have young people from Caherdaniel to Tuosist participating in scouting.

Beaver Scouts	(6 to 8 years)	Mondays 6.15 to 7.15pm
Cub Scouts	(9 -11 years)	Thursdays 6 to 7.30pm
Scouts	(12 - 14 years)	Thursdays 7.30 to 9pm
Venture Scouts	(15 - 17 years)	Thursdays 7.30 to 9pm
Rover Scouts	(18 - 24 years)	

If you have any interest in becoming a Scouter (leader) please contact Sheena O'Sullivan (Group Leader) 0868126546 sneemscouts@gmail.com

We currently have a waiting list for our Beaver and Cub sections. To enquire about joining the list, please email sneemscouts@gmail.com

15th Kerry Sneem Scouts

The Cub Scouts met with Michael Sheehan from the Dark Sky Committee to hand over a cheque for €500 that they raised in their Sponsored Walk from Caherdaniel to Sneem earlier this year. The money is to go towards upkeep of the Walk of the Planets on the Kerry Way in Caherdaniel.

Flu Season 2026/2027

**It is important to protect yourself and those
you care for with annual flu injection.
We will be running Flu & Covid vaccine clinics on
Monday to Thursday for the month of October.**

**You can get a free flu vaccine if you are:
age 60 and older age 2 to 17
(This is a simple and highly effective nasal spray vaccination)**

A healthcare worker, pregnant, living in a nursing home or other long-term care facility, in regular contact with pigs, poultry or waterfowl.
Someone with a health condition that puts you at higher risk of flu (age 6 months and older) living with someone who has a health condition that puts them at higher risk of flu, a carer for someone who has a health condition that puts them at higher risk of flu.

Please call the surgery and book an appointment for the vaccine.
Covid Vaccination will also be available at these clinics and **MUST** be booked in advance to ensure that we have enough in stock.

OVER 65? and have not received your pneumococcal vaccine, please contact the surgery for appointment. We need to know in advance to ensure we have the vaccine in stock. This vaccine is available for free to anyone over 65years and is only given once after the age of 65 years. The vaccine is available year round. Pneumococcal vaccine protects against pneumonia, meningitis and sepsis caused by this bacteria. Young children and older adults are most at risk for this infection.

**All the above Vaccine Clinics are by appointment only,
please ring Julie on (064) 6645102**

South/Failte Ireland DEDP Update

South/Mid Kerry Destination Experience Plan (DEDP): Community Update

Fáilte Ireland's new five-year strategy—designed to guide sustainable tourism and the visitor economy across South and Mid Kerry—is making good progress.

The initial 'Research and Engagement' phase is now largely complete, driven by strong local participation including questionnaires, community drop-in sessions, and one-on-one interviews with representatives across Sneem and the wider region.

The slide below is from the Interim Findings Report of September 8th and highlights the key community themes that make our home special.

Key Upcoming Dates

- November 3rd, 2026: In-person meeting of the Project Taskforce at Sneem Hotel.
- End November 2026: The first draft of the complete plan is expected.

If you have any documents, materials, or local insights you would like considered for this project, please reach out directly by email to fergal.harrington@gmail.com.

Sneem Story House

Church Vestibule and Entrance Restoration

Work to clean the walls of the church vestibule and entrance areas commenced on Thursday, 1st October.

The Process: This specialized work is being carried out by Nolan's, who will remove the modern paint to expose the original underlying stonework. This allows the stone to breathe and makes it easier to monitor for any future water ingress.

Next Steps: The upcoming stage of the project involves removing the existing church porch, building a new entrance platform, and installing a new door.

Important Notice: The church will remain closed until all works are fully completed.

We extend our huge gratitude to the many individuals who have generously supported both the Sneem Story House and the Church through donations. We would also like to acknowledge the vital financial support and partnership of the Heritage Council and Kerry County Council in making these community projects possible.

Sneem TidyTowns

Digital Speed Signs

We are delighted to see that digital speed signs have now been erected on the Waterville and Kenmare approach roads, thanks to extensive lobbying by Maureen Connelly and Norma Moriarty.

Acknowledgement

Michele Cooper-Fay has stepped down from the TidyTowns Committee but continues to be a valuable member of the Tuesday Tidy-ups volunteers. We are grateful to Michele for her invaluable contribution to Sneem Tidy Towns, especially in finding out about the separate TidyTowns Insurance Scheme for PPN members. Michele also put together Insurance and Health and Safety training documents for TidyTowns volunteers.

TidyTowns Awards Ceremony

The Annual SuperValu TidyTowns awards will take place in Croke Park in Dublin on Friday 23rd October. Three members of our committee will be traveling to Dublin on the day.

Bat Talk

Learn all about our native bats by joining our local bat ecologist Katy Steele for a talk in the Wild Garden on Monday 26th October from 4.45 - 5.30pm.

Projects

Two of our TidyTowns projects are due to be completed this month:

In conjunction with Inclusive Sneem and with funding from SKDP through LEADER, a Birds Nest Swing is due to be installed in the Garden of the Senses. The latest installation in the Ogham Tree Trail will be erected on the North River Walk, - a Steel Ogham Henge, designed by Roland Hunter and funded by Kerry County Council's Placemaking and Community Action Fund. We would like to acknowledge Joe Murphy and the CE team who do all the hard work installing these pieces.

New footpaths at Seaview

To do this month: grow native trees from seed

Now is the perfect time to collect and plant seeds from our native trees.

Good seeds to plant are Rowan, Hawthorn and Elder berries. The flowers from these native trees are a valuable food source for our pollinators in the spring. Collecting and growing seeds from healthy trees in Ireland is the best way to ensure that local trees can flourish, and gaps are restored with native species. While it doesn't directly support pollinators, Oak is an incredibly important tree for biodiversity. A great action just now is to pick up some acorns if you're out on a walk and find somewhere suitable to plant them locally.

When you're planting trees remember the three golden rules: right tree (native and of Irish and local provenance if possible); right place (avoid habitats that are already valuable for biodiversity); and right space (think about what will happen to your tree in the future and choose a spot where it will last a long time). Find out more the short guide 'How to plant trees for pollinators' on the pollinators.ie website.

At the base of the tree are a whole golden-brown pie, a slice of white cake with red icing and a cherry on top, and a small chocolate roll. On the left are a chocolate log cake, a round tart with fruit, and a small star-shaped tart. The background has a pink and white checkered pattern at the bottom and a pink scalloped border at the top.

Sneem SEC

The first stage of preparing the Energy Master Plan (EMP) is to prepare a report on the current energy usage and estimates of demand based on analysis of publicly available data. The first draft of this work has been completed and our appointed consultant will be taking account of the comments Sneem SEC Lead Steering Committee have made in this regard. The appointed consultant, Xavier Dubuisson, from XD Consulting Clonakilty, will be progressing the project to the next stage which is to obtain a sample of "real" data on energy usage from a sample of businesses and residence in the catchment area within Sneem.

Your cooperation in completing this stage will be greatly appreciated.

Fundraising Opportunity

Some of you may have spotted these yellow Re-turn bins in use in villages and towns around the country. They are provided by under Re-turn's Community Fundraising Initiatives so that if you don't want your deposit back from returning your plastic bottles and cans, you can support a local group, school, club or charity by using these bins. We are asking if any local group, school, club or Business that would like one of these bins as a fundraiser. Once the bin is full, they would need to empty it themselves and put the bottles and cans into the Return vending machine. Contact SneemTT@gmail.com or whatsapp 087 7865053 if interested.

A trip to Killarney National Park

The children and staff of Tahilla CNS headed over the mountains to Killarney National Park on Wednesday 23rd of September 2026. We had a wonderful day exploring Muckross Abbey and the history around it. We had a leaf hunt and learnt about all the different trees in the National Park. We also completed a colour hunt where we scavenged for natural items around the floor of the forest to match the colours in each section of the egg boxes we had prepared. We finished the day with a picnic in the sunshine and even got to have some cake to celebrate Múinteoir Máire's birthday. Written by Múinteoir Marian, Junior Room Teacher.

Football Blitz

On Thursday the 1st of October we went to the Shamrocks GAA pitch in Kenmare for the yearly football blitz against some of the other 2 classroom schools. First, we played Cahir NS. It was an exciting game, we won by 12 points! After that, we played Tulloha NS (Bonane), who played a great game and won. But we still had lots of fun! Once we left Shamrocks GAA pitch, we went to the playground next to SuperValu where we ate our lunch and played for a while.

Then it was time to go to the Kenmare Hospital to play some music for the elderly, to celebrate International Older Person's Day. We also celebrated a nice old lady's birthday. We sang, "Happy Birthday" and then we all had a piece of her cake, crisps, a chocolate bar and 7 Up. It was delicious!

After that we went to SuperValu where our parents picked us up. We had a wonderful day!

Jody's Recipe Corner

Spice up your autumn with some homemade Hot Sauce
There are currently several varieties of habanero peppers for sale at The Yellow Shed Sneem.

Use the sauce over taco's, wraps, chilli con carne, sandwiches, grilled meats or anything that can do with a bit of spice and garlic.

- Roast 7 Habanero peppers (halved) with a bit of olive oil until they're soft and the skin starts to blister.
- Heat up a pot over medium heat and add 15 cloves of garlic (peeled and roughly chopped), 1 onion (chopped), about a liter of white vinegar (or apple cider vinegar might work as well), a tablespoon of sugar, 3 teaspoons of Worcestershire sauce, 100 ml lime juice, 1 teaspoon of ground cumin and 1 teaspoon of salt.
- Bring to a boil and then reduce heat to let it all simmer for about 20 minutes.
- Add roasted peppers and let simmer for another 5 minutes.
- Use a blender or hand blender to create a smooth sauce. If the sauce is not runny enough you can add a bit of water.
- Let simmer for another 5 minutes and there you go.

Sauce keeps in the fridge for several months if you pour it into sterilised bottles.

In case you want less of a "hot" sauce you can replace 4 of the habanero peppers for one sweet pepper.

Sneem Summer Festival

The Sneem Summer Festival AGM will take place on **Friday 9th October at 8pm** in **Sneem Community Centre**. Sneem River Clean Up

On Tuesday, 22nd September, students from 1st to 6th Class in St Michael's National School, Sneem, joined forces with Sneem Tidy Towns for a river clean-up in the village. Jane and the wonderful Tidy Towns team led seven groups of students as they worked together to collect litter and help care for our local environment. The students took great pride in their involvement and were delighted to see the difference their hard work made to the river and surrounding areas. It was a fantastic opportunity for the children to learn about the importance of protecting their local environment and the positive impact we can make when we all work together. The children thoroughly enjoyed the experience and were amazed by the amount and variety of litter collected. A huge thank you to Jane and all the Tidy Towns team for giving their time, sharing their knowledge and offering such wonderful support and encouragement to the children throughout the day. The students took great pride in their involvement look forward to continuing to play our part in keeping Sneem clean and beautiful.

Sneem Community First Responders

It has been another busy period for Sneem Community First Responders, and our team continues to provide full support to the local community whenever we are called upon.

Our volunteers remain available to support the National Ambulance Service with appropriate emergency call-outs in Sneem and the surrounding area, including evenings, nights and weekends.

We are also delighted to share that Sneem CFR now has our own in-house trainers. This is a really positive step for the group and will allow us to continue developing the skills of our existing responders while also supporting the training of new members locally.

Our Annual General Meeting will be held during November. We will publish the confirmed date and venue shortly, so please keep an eye on our social media pages for further details.

We are also looking forward to our forthcoming Artisan Market, which promises to be a great community occasion. It will be a chance to support local producers, makers and small businesses while also helping to support the work of Sneem CFR.

More information on the Artisan Market, including the date, venue and participating stalls, are shared on our social media.

As always, we would like to thank everyone in Sneem and the surrounding area for the continued support shown to the team. It is very much appreciated by all of us.

Sneem Community First Responders

Sneem Community First Responders are recruiting

We are actively building our current team of 7 Responders to a team of 10 and are looking for new volunteers to join us. Full National Ambulance Service (NAS) stipulated training is provided, including practical CPR training and assessment, online learning, and a final NAS assessor assessment before becoming operational. Once trained, volunteers respond when available, including evenings, weekends and early hours call-outs. Being a Community First Responder is a voluntary role, but it offers the opportunity to develop valuable lifesaving skills, build confidence in emergency situations, and become part of a trained local team supporting patients until ambulance crews arrive. If you live within a 15 km radius of Sneem and would like to find out more about joining Sneem Community First Responders, we would be delighted to hear from you. Interested? Middle Room News

Hello everyone!

We have had a very busy and exciting September in the Middle Room, and it is hard to believe we are already heading into October! The children have settled beautifully into their new routines and have been working so hard across all areas of the curriculum. Some things we have been doing are:

Art – Yayoi Kusama

We finished our work on Paul Klee and have now moved on to the wonderful Japanese artist Yayoi Kusama – the Queen of Dots!

The children will be exploring her famous use of dots, repetition and patterns and creating some very colourful artwork of their own.

We will begin to create a papier-mâché pumpkin inspired by Kusama in the coming weeks.

Geography and History

We have finished our work on Paris and are now travelling back in time to Ancient Egypt!

The children will be learning about the pyramids, pharaohs, mummies, hieroglyphics and what life was like along the River Nile.

We will also be having a visit from Jessica Mason. She will be completing an art project entitled 'Ecology meets Folklore'.

Music

We have started our music lessons with Peggy. We will begin the tin whistle next week. We are also working on a body percussion activity using the song 'thriller'.

Literacy

We are continuing to develop our reading, writing, spelling and oral language skills. The children are working hard on their handwriting and written language and are becoming more confident in sharing their ideas.

We will also continue enjoying our class novel 'The BFG' and plenty of opportunities for reading for pleasure.

PE and Swimming

We will continue to enjoy our PE sessions with Tadgh and are looking forward to our swimming sessions in Parknasilla.

Team Hope Christmas Shoebox Appeal

We are delighted to be taking part in the Team Hope Christmas Shoebox Appeal again this year. This is a wonderful opportunity for the children to put together a special Christmas gift for a child who may not otherwise receive one. Thank you to everyone who has already sent in shoeboxes and items. Your generosity and kindness will help bring a little extra joy to children around the world this Christmas.

Active School – Run Around Europe

As part of our Active School journey, we will be taking part in Run Around Europe! The children will work together to collectively run the distance across Europe over the coming weeks. It is a fun way to get active, build teamwork and encourage everyone to get moving. We are looking forward to seeing how far we can travel together!

Looking Ahead to Halloween

October is always an exciting month in school! We will be doing lots of Halloween-themed learning and activities in the lead-up to our Halloween Dress-Up Day on Friday 23rd October.

We will also be taking part in our Childline Conga Line fundraiser, so thank you for your continued support.

A Big Thank You

Thank you so much to all the parents and families for your continued support. We really appreciate all the materials, homework support, contributions and encouragement you provide at home. The children have made a fantastic start to the school year and we are very proud of them!

Wishing everyone a lovely October filled with learning, laughter and lots of autumn fun!

Sunshine Room News

The Sunshine room have worked incredibly hard this September. We explored the history of 'My School'. Students made a map of the school using the school tablets. We printed our pictures and created a large map of the school. We then followed up this activity by creating a timeline of each student's time in Sneem NS. We marked what class each student was in and added in special milestones or memories that had from the school. To round up our topic of 'My School' we built the school using magnetic tiles, blocks, Lego and playdough. We had a treat of bread, butter and jam in cookery class. We have been busy working on our news, handwriting, Maths, and Mathseeds and Reading Eggs every day. We are all set for our next topic of Autumn and Halloween! September has been an action packed busy month.

St Michael's National School

Junior Room News

We've had a fantastic first month back in the Junior Room! September was all about *Myself and My Family*, as we learned about our bodies, explored numbers and colours, and enjoyed *Mé Féin* in Gaeilge. We recounted our first day at school, practised our rhyming skills and played lots of fun learning games. We celebrated International Dot Day with the whole school, recognising everyone's creativity and uniqueness. Our class story, *Cave Baby*, inspired us to build caves during STEM and explore mark-making as we created our own cave walls in Art.

We've also enjoyed football with Tadgh and music with Peggy. A special thank you to Noah, Rafael and Mario for reading us some lovely stories!

As we move into October, we're embracing autumn and exploring the season across our subjects. We're taking part in the whole-school Run Around the EU Challenge, encouraging everyone to get moving, enjoy being active and work together. We're also looking forward to Maths Week and another month of learning, exploring and having fun together!

Mountain Skills Training

We have scheduled the following dates for Mountain Skills training courses:

MS1 Saturday 31st October to Sunday 1st November

MS2 – Saturday 07 to Sunday 08 November

On 26th September, we welcomed members of Kenmare Walking Club for a day of navigational training in the Sneem Mountains. We enjoyed pleasant conditions and fabulous views of Sneem and across the Bay. We're also looking forward to a training day with Sneem Walking Club, which is scheduled for Saturday 17th October.

New Hiking With Your Phone Course

Following the success of last month's Mountaineering Ireland-sponsored Hiking with your Phone training course, we've added another course date – Saturday 24th October.

Upcoming Scheduled Walks

Féile na Samhna 23 October 6 pm - Sunset to Dark Skies Walk.

30 October 6pm – Sunset and full moon walk.

Sturdy walking boots, waterproof outers, water & snacks required. All are 3hr moderate walks.

Sneem Walking Club

Sneem Walking Club held their annual Walking Weekend in September, commencing with a sunset walk along the Lomanagh Loop on Friday evening. Weather conditions on Saturday and Sunday were ideal for sharing the beauty of the Dunkerron Mountains and South Kerry coast. For more adventurous walkers, hikes to Knocknagantee and Coomcronia, plus Beann offered breathtaking mountain and lake views. Moderate grade walks took place at Derrynane, and along a section of the Kerry Way from Beale to Caherdaniel, where everyone was rewarded with fabulous views of the coast. The Club was delighted to share the area's varied trails with guests from near and far. Special thanks to Kelly Agnew who organised the weekend's events and local landowners who facilitated the walks.

The Club's Autumn/Winter programme of walks is now under way, alternating each Sunday between a strenuous walk for experienced hikers, and a moderate walk suitable for those who enjoy a gentler pace. Details can be found on the Club website, which is updated regularly:

<https://sneemwalkingclub.ie/walks/>

Membership is now open for the forthcoming year: potential members are welcome to join us free of charge on maximum 2 moderate walks to meet our friendly and welcoming group, and explore off-the-beaten-path localities. Annual membership costs €43, which includes insurance whilst hiking, discounts on outdoor gear and opportunities for hiking skills training with a qualified member of the Club.

The Club Committee helps to maintain smooth running of the walking weekend and events:

Chairperson: Ravit Yanay

Secretary: Sue Moses

Treasurer : Frank McGonigle

Safety and Training Officer : Fergal Harrington

Full membership details, walks and more can be found on our website:

<https://sneemwalkingclub.ie>

If you can't find the answer there, please feel free to email:

sneemwalkingclub@gmail.com

We look forward to seeing Club members and potential members in the coming months!

The Yellow Shed Sneem

October and the leaves are beginning to turn,
the natural cycle is yet
again coming to an end and a new beginning,
whichever way we look at it.

The falling of leaves, the decomposing,
the new basis for the next growth
being formed ... how amazing is nature
and it's right in front of us teaching
us natural normality.

Even the temperature and water challenges can
be a normal influence, only, as we are now aware,
are they hitting our land with more extreme effects.

So far Ireland has been managing well
and being such an independent Nation,
it promises to continue in this way.

And still ... we have to do our 'bit' to think
ahead and put certain measures in
place to be prepared even that little bit better.

From looking at the Instagram feed
Irish Organic Farming seems to be on the rise
and people are loving the reality of the
produce presented to everyone, who wants it.
How special is this to have organically grown
local vegetables and fruit,
honey and mushrooms,
flowers and herbs.

We love what we do
and hope you do, too.
